

# American Saddlebred Horse Futurity Of New York

February 10,2010

Dear Saddlebred Enthusiast:

It's that time of year again! I have enclosed the nomination form for the American Saddlebred Futurity of New York. Please note the due dates very carefully. All nominations, with the exception of the weanlings, are **due by May 15, 2010**

Any horse that hopes to show in any of the futurity classes in 2010 and beyond are required to complete and return a nomination form in order to maintain their eligibility.

Please note that stallions and mares are only nominated for weanlings-not again for yearlings, two-year olds or three-year olds. If you are not sure if your foal's stallion has been nominated, you can either check with the stallion's owner or nominate the stallion yourself. If the stallion has already been nominated, you will receive your fee back.

It has been decided to change the format of the NYS Futurity back to its original form. That is, the mare and stallion need to be nominated during the foal's weanling year. The resulting foal must be nominated as a weanling, yearling, 2yr old and 3yr old. Weanlings will not show. All others will show at the Syracuse International. 3yr olds will show in Park Pleasure and all others will show in hand. As a result of several members' input this change was made.

Checks should be made payable to the American Saddlebred Futurity of New York and mailed to me at the address above. Please make sure to include a completed nomination form.

YEARLING OWNERS- please include a copy of the yearling's registration papers.

If you have any questions, please do not hesitate to contact me.

Sincerely,

*Darlene Trento-Wright*
